Dear Friend,

As the Freeholder Liaison to the Department of Human Services, I am incredibly proud to be able to provide this COVID-19 Pandemic Resource Guide to our Monmouth County residents.

During these unprecedented times, it is so important for residents to have access to essential services in a timely and efficient manner. This guide aims to provide a one-stop location for residents to find information about a variety of services available in each municipality.

This guide was developed by the Monmouth County Division on Aging, Disabilities and Veterans Services, Aging Disabilities Resource Center (ADRC), in coordination with the 53 municipalities in Monmouth County, to assist Monmouth County residents obtain information about resources during the COVID-19 Pandemic.

I would like to thank Sue Moleon, Director of the Division, and her entire staff for their hard work on this guide and their dedication to the residents of Monmouth County and recognizing the need for community involvement in order to best serve our residents.

Within this guide, you will find information about a range of necessary services including food pantries, designated senior store hours, food delivery and curbside service, pharmacies, crisis counseling, behavioral health services, health department and poison control, caregiver support, disability services, veterans and first responders support and benefits as well as financial assistance.

This guide will continue to be updated as the COVID-19 situation further evolves. If you are aware of new services or a status change of current services, please contact Sue Moleon at the Monmouth County Aging Disability Resource Center via email at sue.moleon@co.monmouth.nj.us or Sheila Chapman at sheila.chapman@co.monmouth.nj.us.

Thank you again to all who have been involved in this invaluable endeavor.

Sincerely,

Susan M. Kiley
Freeholder Deputy Director
